

Community Care Access Centres Central Bargaining Bulletin

October 7, 2014 ~ Issue #1

Your bargaining team met with representatives of the employer CCACs September 30 to October 2 to negotiate central issues to this round. Further Bargaining will continue October 23-26 with assistance from a mediator starting October 24. The tone at the table was professional and a few non-monetary housekeeping items are now agreed to. We also would like to welcome to North Simcoe Muskoka CCAC to the Central bargaining table. This is the first time at Central for NSM.

We will continue to provide you with updates.
